FOR IMMEDIATE RELEASE

**IT Consulting Firm ENTAP Awarded Contract to Participate in
U.S. Navy's SeaPort-e Program for the Acquisition of Professional Services**

INDIANAPOLIS (August 17, 2010) – ENTAP, an IT consulting and outsourcing firm specializing in business systems consulting and ERP solutions, announces it has been awarded a contract to participate in the [Navy SeaPort Enhanced contracting program](#) for the Midwest and Nation's Capital regions. The SeaPort-e program provides a standardized, efficient means for the nation's small businesses to compete in securing contracts within 22 categories of professional services including [information technology consulting, management and support](#).

ENTAP holds an indefinite delivery, indefinite quantity (ID/IQ) task order contract (N00178-10-D-6026) and joins more than 1,800 SeaPort-e contract holders privileged to compete for task orders from The Navy Systems Commands, the Office of Naval Research, the United States Marine Corp and the Defense Threat Reduction Agency (DTRA). All task orders are competitively solicited, awarded and managed using the SeaPort-e electronic platform.

"ENTAP offers extensive experience providing IT consulting services, support and training to public sector agencies including the State of Indiana and the Defense Finance and Accounting Service (DFAS), the accounting firm for the Department of Defense," stated ENTAP's president and chief executive officer Tracy E. Barnes. "As a SeaPort-e contract holder, ENTAP now has the unique opportunity to continue expanding our national reach through the government sector. This opens the door to many new business opportunities and strategic partnerships."

Founded by Barnes in 2004, ENTAP has grown from one to 20 employees and continues to prove itself as an emerging IT solutions firm boasting at least 100 percent year over year revenue growth. For a Statement of Qualifications or more information, call 317-634-9523 or visit <http://www.entap.com>.
